Testimonial

***From Past Title Sponsor's
Community Relations Coordinator***

"Dayton Power & Light is proud to be a Title Sponsor of The Gauntlet over the years. Thank you for your flawless organization of the event and for taking such good care of our competitors. From start to finish the process went smoothly. The course had even more obstacles this year and they were challenging and fun! We were treated like royalty for being the major sponsor and it felt nice to be appreciated! I am glad to be part of an organization that is able to support events like the Gauntlet, it was a very deserving cause!"
